All About Oaks

With Dr. Andrew Hipp

Oaks are familiar to us all. Their evolutionary tale tells a story woven through the Tree of Life, one that connects all organisms who have inhabited Earth, from Oaks' last common ancestor to humans today.

THURSDAY,
JANUARY 23
7 PM AT THE
LINCOLN CENTER,
ROOM 503

Residents of Downers Grove, Dr. Andrew Hipp (Author) and his spouse, Rachel Davis (Illustrator), have just published their book, *Oak Origins: From Acorns to Species and the Tree of Life*. Dr. Hipp is Morton Arboretum's Herbarium Director and Senior Scientist in Plant Systematics.
